

§ The Rhythm of Eternity §

MAKING SENSE OF HISTORY

Studies in Historical Cultures

General Editor: Stefan Berger

Founding Editor: Jörn Rüsen

Bridging the gap between historical theory and the study of historical memory, this series crosses the boundaries between both academic disciplines and cultural, social, political and historical contexts. In an age of rapid globalization, which tends to manifest itself on an economic and political level, locating the cultural practices involved in generating its underlying historical sense is an increasingly urgent task.

Volume 1

Western Historical Thinking: An Intercultural Debate
Edited by Jörn Rüsen

Volume 2

Identities: Time, Difference, and Boundaries
Edited by Heidrun Friese
