

Illustrations

1.1	Klemtu SEAS interns created this first pictograph in local living memory in 2016. It depicts animals in a canoe with a series of hands beneath it, all done in dark-coloured ochre	20
2.1	Total numbers of Teddy Bears in the Fossil Teddy Database	28
2.2	Variations to the frequency of Teddy Bear Morphology through their evolutionary history	29
3.1	Map of the provinces where research has been conducted in Cambodia by SDZG and FTB	35
3.2	Map of the provinces where research has been conducted in Laos by SDZG and FTB	38
5.1	(Left) Upright bear offered as a Bigfoot lookalike by Nickell (2013). (Centre) Comparison of Nickell's bear figure alongside an actual upright black bear, highlighting the inaccuracies of the figured bear anatomy. (Right) Real bear contrasted with Nickell's Bigfoot sketch	59
5.2	The distinguishing features, or field marks, differentiating a sasquatch from a black bear, as well as a human hiker	61
5.3	Distinguishing features differentiating the footprints attributed to sasquatch from the overlapping fore and hind paw prints of a bear	62
5.4	The right and left footprint casts taken by Roger Patterson at the Bluff Creek California film site on 20 October 1967, constituting the type specimen of the ichnotaxon <i>Anthropoidipes ameriborealis</i> (Meldrum 2007)	64
5.5	Ten casts by Bob Titmus at the Bluff Creek California film site, taken approximately ten days after the film was captured by Patterson and Gimlin, which constitute the referred material to the ichnotaxon <i>Anthropoidipes ameriborealis</i> (Meldrum 2007)	65
7.1	Individually identified bear faces and an example of a Bear Identification Data Sheet	78
8.1	A circus poster of performing bears during the Victorian age	95
8.2	Polar bears in the Hagenbeck circus	95
8.3	The Bern bear pit 'Views of the Zoological Gardens', 1831	96
8.4	A dancing bear in Serbia	98
8.5	A Kalandar with dancing bear in India	99
8.6	A bear on a farm in China	102

9.1	Knut on display in the Natural History Museum, Berlin	110
9.2	'Bill' the bear in Towneley Hall, Burnley, Lancashire	112
9.3	Reputed to be the tallest mounted bear in Britain, this brown bear can be seen at Manderston House, Duns, Scotland	113
9.4	A diorama of brown bears at the McNeill River Reserve in Alaska, displayed at the Civico Museo di Storia Naturale, Milan	115
10.1	<i>Adrift</i> by John Macallan Swan, exhibited in Aberdeen Art Gallery	120
10.2	A taxidermied polar bear plays a part in the <i>Climate Control</i> exhibition at Manchester Museum, 2016	127
11.1	Aerial FLIR still, taken over North Slope Borough coast, Alaska	132
11.2	Aerial FLIR still, taken over North Slope Borough coast, Alaska	134
11.3	Hunting cabins at Point Barrow, Alaska	141
11.4	Snæbjörnsdóttir/Wilson (2016). Preparatory 3D visualisations based on field drawings of a polar bear den on the North Slope Borough	144
11.5	Snæbjörnsdóttir/Wilson (2016) <i>Matrix #1</i> . Glass maquette, scale 1:10 (made in collaboration with the National Glass Centre, Sunderland, UK)	145
13.1	Photographs of trees marked by brown bears	166
13.2	Photograph of a stomp trail leading to a brown bear marking tree	167
13.3	Camera trap photographs of an adult female investigation sequence, displaying: a) approach to the tree (unknown), b) quadrupedal investigation, c) bipedal investigation, and d) depart (walk)	171
13.4	Camera trap photographs of an adult male brown bear scent marking sequence, displaying a) approach-walk, b) quadrupedal investigation, c) flank rub, d) back rub, e) sit, f) back rub, g) stomp, h) back rub, i) stomp, j) flank, k) back rub, l) depart (walk)	172
17.1	Apennine brown bear range in central Italy (inset), with reference to PNALM	214
18.1	Sapote Fruit, <i>Colicodendron scabridum</i>	222
18.2	Diagram of a <i>Cocina Mejorada</i>	226
19.1	The author with a black bear	237
