The essays in this volume received their first outing at a two-day symposium in honour of Jonathan Parry, held in Peterhouse in September 2022. The event was generously funded by Peterhouse and Pembroke College, Cambridge, to whom we offer our sincerest gratitude, and benefitted greatly from the support and enthusiasm of the late Saskia Murk Jansen and Miri Rubin. We wish to thank all those who attended and participated, including Michael Middeke of Boydell and Brewer, whose enthusiasm for the volume has been a source of encouragement, as well as the two anonymous referees for their valuable comments. Lastly, we would like to thank the honorand himself – for his own assistance with organising the symposium (and for enduring the limelight for two days), for his generous support since, and above all for his ongoing example.
