

Acknowledgments

Thank you to the many experts, business leaders, technologists, colleagues, and friends who enabled us to write this book—you know who you are. Thank you to the Center for the Study of the Presidency and Congress, the Center for Strategic and International Studies, and the Stimson Center for organizing valuable roundtables that helped to shape the book. Thanks also to ZEIT-Stiftung and the German Marshall Fund of the United States for their generous support. Finally, we are grateful for the continued support from Lynne Rienner Publishers.
