FOREWORD _7

INTRODUCTION _8

THE VIRTUAL DRAWING BOARD _10

User interface _11

Coordinate systems _15

Transparent planes – the layering principle _17

DRAWING FUNCTIONS _22

Drawing elements _22

Design tools _30

Modifications _34

THE THIRD DIMENSION _40

Three-dimensional design _41

Construction methods _48

Modelling _52

Architectural elements _54

VISUALIZATION _62

Surfaces _66

Light and shade _69

Perspective and virtual camera _71

Rendering parameters _75

DATA FLOW _78

Program libraries _78

CAD interfaces _80

TAI _81

Printing and plotting _82

SYSTEM REQUIREMENTS _85

Hardware _85

Software _86

IN CONCLUSION _88

APPENDIX _89

Checklists and overview of software _89

Picture credits _92
