Preface — VII

List of Figures — XV

1 Introduction — 1

- 1.1 Agenda of This Book — 1
- 1.2 Synopsis — 1
- 1.3 “Materials & Methods” of This Book — 4
- 1.4 Outline & How to Read This Book — 6

Part I: Stage Setting

2 Braining Up Psychology — 11

- 2.1 From Early Psychology to Cognitive Science — 11
 - 2.2 The Rediscovery of the Brain — 13
 - 2.3 Cognitive Neuroscience Today — 15
 - 2.3.1 Progress in Memory Research — 16
 - 2.3.2 Progress in Language Research — 28
 - 2.4 A Matter of Difference Making — 39
 - 2.5 Upshot — 40
- Excursus: Dissociation Logic — 41

3 The Life of Mechanisms — 42

- 3.1 Ancestors: Some Historical Context — 42
- 3.2 The Birth of Mechanistic Explanations — 44
- 3.3 Upbringing Around the Millennium — 46
 - 3.3.1 Machamer, Darden & Craver — 47
 - 3.3.2 Woodward — 50
 - 3.3.3 Glennan Again — 52
 - 3.3.4 Activities vs. Interactions — 53
- 3.4 Growing Famous — 55
- 3.5 The Marriage with Interventionism — 61
- 3.6 Struggling with Reductionism? — 61
- 3.7 Little Ailments — 64
- 3.8 Upshot — 66

4	The Interventionist View — 67
4.1	Interventionism Outlined — 67
4.2	The Issue With Mental Causation — 74
4.2.1	Kim's Exclusion Argument — 75
4.2.2	Realization Independence — 77
4.2.3	Interventionism Revised: (M*) & (IV*) — 79
4.3	Upshot — 81
5	Intermezzo: What's at Stake? — 83

Part II: Puzzles

6	The Unsuccessful Marriage — 89
6.1	Intra- vs. Interlevel Manipulations — 89
6.2	Interventionist Interpretations of Interlevel Experiments — 91
6.2.1	Fat-handedness — 93
6.2.2	Common Causes — 94
6.3	(M**)-(IV**)-Interventionism — 96
6.4	Manipulation ... of <i>What</i> ? — 98
6.5	Upshot — 99
	Excursus: Graphs With Interlevel Causation — 101
7	Causation vs. Constitution — 104
7.1	Two Different Dependency Relations — 104
7.2	Interlevel Difference Making — 106
7.3	Interlevel Mechanistic Constitution — 110
7.4	Upshot — 113
8	Beyond Mutual Manipulability — 114
8.1	Vices & Virtues — 114
8.2	Pragmatically Supplemented — 115
8.3	A System of Experiment Classification? — 118
8.4	It's Not All About Components — 121
8.5	Upshot — 125
9	Interventionism's Short-Sightedness — 126
9.1	On the Epistemology of Scientific Experiments — 126
9.2	What's the Interventionist Project? — 130

9.3 Upshot — 132

10 Intermezzo: Well Then? — 135

Part III: Shopping for Solutions

11 Fixing Interventionism — 139

11.1 Struggling With Non-Causal Dependence — 139

11.2 Difference Making Interventionism (DMI) — 141

11.2.1 No Independent Manipulability — 143

11.2.2 Constitution and Causation Look Alike — 144

11.2.3 Underdetermination & Distant Effects — 145

11.3 Marriage Saved — 146

11.4 Upshot — 148

12 Mere Interactions — 150

12.1 Empirical Manipulations — 150

12.2 Interventions vs. Mere Interactions — 152

12.3 Causal Pluralism? — 159

12.4 Upshot — 162

13 Excursus: A Perspectival View — 165

13.1 Mysterious Interlevel Relations — 165

13.2 Place's Idea — 166

13.3 A Matter of Perspectives — 170

13.4 Lessons Learned — 173

13.5 Worries — 178

13.6 Upshot — 179

14 Mere Interactions at Work: A Catalog of Experiments — 181

14.1 Philosophy of Experimentation — 181

14.2 Geometric Property Studies — 183

14.3 Composition Studies — 186

14.4 Time Course Observations — 189

14.4.1 Studying Plasticity — 192

14.4.2 Effects on Different Timescales — 193

14.5 Mining for Correlations — 195

14.5.1 Estimating Predictive Models — 196

14.5.2 Identifying Functional Units — 198

14.6	Simulating Interventions: Difference Association & Dissociation —	199
14.7	Multiple (Pseudo-)Interventions —	204
14.8	Mixed Cases: Interaction Effects —	207
14.9	Manipulation Checks —	210
14.10	Translational Paradigms —	213
14.11	Upshot —	216

15 Conclusions — 219

15.1	Take Home Messages —	219
------	----------------------	------------

15.2	Wrapping Up —	225
------	---------------	------------
