

Acknowledgments

The editors acknowledge the publisher De Gruyter Oldenbourg for this opportunity and professional support. Our special thanks to Ms. Angelika Sperlich, Editorial Director Technology, De Gruyter, for the excellent support which she provided us to complete this book. Thanks to Ms. Aneta Cruz-Kąciak, contractor content editor, for her follow-up and aid. Also, we would like to thank all the chapter authors and reviewers for their availability during this work even in the tough times of COVID-19.
