

About the Editors

Dr. Rajeev Singh is currently working as associate professor at the Department of Computer Engineering, G.B. Pant University of Agriculture and Technology, Uttarakhand (India). He received his Ph.D. in the field of WLAN security from National Institute of Technology, Hamirpur (India), M.Tech. in computer science and engineering from Indian Institute of Technology, Roorkee (India), and B.Tech. in computer science and engineering from Kanpur University (India). His research interest includes computer networks, network security, databases, simulation, Internet of things, and information systems. He has organized several trainings and workshops along with one national conference. He has published several research papers in reputed international journals of Springer, Wiley, and Taylor and Francis. He has presented several papers in international conferences and is also a reviewer of various reputed journals. He is also an editorial board member of various international journals. Dr. Singh is a member of the IEEE and ACM societies and a life member of the Indian Society for Technical Education.

Prof. Dr. Mangey Ram received his Ph.D. in mathematics with minor in computer science from G.B. Pant University of Agriculture and Technology, Pantnagar, India. He has been a faculty member for around 12 years and has taught several core courses in pure and applied mathematics at undergraduate, postgraduate, and doctorate levels. He is currently a research professor at Graphic Era (Deemed to be University), Dehradun, India. Before joining the Graphic Era, he was a deputy manager (probationary officer) in Syndicate Bank for a short period. He is Editor-in-Chief of the *International Journal of Mathematical, Engineering and Management Sciences*; book series editor with Elsevier, CRC Press – a Taylor and Francis Group, De Gruyter Publisher (Germany), and River Publisher (USA); and the guest editor and member of the editorial board of various journals. He has published 225 plus research publications in IEEE, Taylor and Francis, Springer, Elsevier, Emerald, World Scientific, and many other national and international journals and conferences. His fields of research are reliability theory and applied mathematics. Dr. Ram is a senior member of the IEEE and a life member of the Operational Research Society of India, Society for Reliability Engineering, Quality and Operations Management in India, Indian Society of Industrial and Applied Mathematics. He has been a member of the organizing committee of several international and national conferences, seminars, and workshops. He has been conferred with the “Young Scientist Award” by the Uttarakhand State Council for Science and Technology, Dehradun, in 2009. He has been awarded the “Best Faculty Award” in 2011, Research Excellence Award in 2015, and recently the “Outstanding Researcher Award” in 2018 for his significant contribution to academics and research at Graphic Era (Deemed to be University), Dehradun, India.
