

List of tables

Table 1	Formal and key semantic properties of overt verb classification systems in spoken languages — 24
Table 2	Monocategorical stems and nominal lexemes shown in singular and plural forms — 29
Table 3	Prefixless nouns in the singular — 30
Table 4	Diminutive and augmentative with nouns — 31
Table 5	Monocategorical nominal stem taking possessive suffixes — 31
Table 6	Denominalisation with monocategorical roots — 35
Table 7	Broad characterisation of the morphological structure of the Eegimaa verb — 37
Table 8	The most common verb extensions — 39
Table 9	Alternations between [+ATR] and [-ATR] in derivations — 40
Table 10	The main traditional nominal morphological classes in Eegimaa — 76
Table 11	Paradigm approach vs gender-plus-number analysis — 78
Table 12	Nominal morphological classes in Eegimaa — 81
Table 13	The main agreement classes of the Eegimaa noun class/gender system — 88
Table 14	Grammatical categories distinguishing finite and non-finite forms in Eegimaa — 107
Table 15	The main classes of complement taking predicates in Eegimaa — 115
Table 16	Summary of nominal and verbal properties of Eegimaa non-finite verbs — 128
Table 17	The Eegimaa non-finite verb classes and their class markers — 129
Table 18	Preferred semantic parameters in classifier systems — 151
Table 19	Alternation of different NCPS with the dummy stem <i>-nde</i> ‘thingamajig’ — 155
Table 20	Alternation of different NCPS with the stem <i>-muse</i> ‘teacher’ — 155
Table 21	Features of the situation types — 195
Table 22	NCPS combinations with verbs from different aspectual types — 195
Table 23	The main verbal semantic categories of Eegimaa verb classes and Kujireray — 198

Table 24	Illustration of the expression of individual and multiple actions — 206
Table 25	Multiplicity in the nominal domain — 208
Table 26	Multiplicity in the verbal domain — 208
Table 27	Transitivity parameters according to Hopper and Thompson (1980) — 225
Table 28	The features of the individuation parameter — 225
Table 29	The two [ATR] vowel sets in Eegimaa — 261
Table 30	[ATR] harmonic sets in Eegimaa — 262
Table 31	Consonants in Eegimaa (gemines not shown) — 263
