**Book cover**

The cover shows a photograph of the Quantum Cloud sculpture by Antony Gormley in London, almost directly on the Greenwich Meridian (51° 30' 6.48" N and 0° 00' 32.76" E). It is approximately 30 metres high and portrays a figure appearing in a cloud of tetrahedron-shaped metal pieces; the cloud around the figure was constructed with the help of a random walk algorithm.
