

List of figures

- Figure 1** Number of institutions in relation to the contribution of data sources for this research — **115**
- Figure 2** Distribution, by region, of the universities participating in the survey, in number of institutions — **115**
- Figure 3** Distribution of respondents, by category — **132**
- Figure 4** Distribution of respondents, by position held — **132**
- Figure 5** Participation of the respondents' universities in the LwB program — **133**
- Figure 6** Languages offered via LwB at universities that are members of this program — **134**
- Figure 7** Division that managed the LwB program in the surveyed universities — **135**
- Figure 8** Offer of activities for the development of language proficiency (not related to the LwB program) at the surveyed universities — **135**
- Figure 9** Activities not related to the LwB program, offered at the universities surveyed — **136**
- Figure 10** Existence of a formalized language policy in the universities surveyed — **137**
- Figure 11** Aspects covered by the LP — **138**
- Figure 12** Existence of informal language policy — **138**
- Figure 13** Presence of a language institute/school/center not related to LwB — **139**
- Figure 14** Languages offered at universities that have a language institute/school/center not related to the LwB program — **140**
- Figure 15** Presence of LP for languages of admission — **141**
- Figure 16** Languages required at universities that have LP for admission — **141**
- Figure 17** Presence of LP for language teaching — **142**
- Figure 18** Languages offered at universities with an LP for language teaching — **143**
- Figure 19** Presence of LP for languages of instruction — **144**
- Figure 20** Languages chosen for teaching various contents, at universities that have LP for languages of instruction — **145**
- Figure 21** Presence of LP for languages of research — **146**
- Figure 22** Languages chosen for interactions and publications, at universities that have LP for languages of research — **147**
- Figure 23** Presence of LP for languages of administration — **147**
- Figure 24** Languages chosen for use in documents and with internal audiences, at universities that have LP for languages of administration — **148**
- Figure 25** Presence of LP for languages of external communication — **149**
- Figure 26** Languages chosen for interaction with people and organizations outside the university, in institutions that have LP for external communication — **150**
- Figure 27** Existence of language teaching/learning activities for specific/academic purposes — **155**
- Figure 28** Existence of discussions about LPs for internationalization — **168**
- Figure 29** Model of language policy for internationalization — **172**
