

Acknowledgments

Much of the research for this book was done while prodding social networks for information and feedback. I appreciate all discussions I have had over the last couple of years, in particular those that involved disagreement. I want to thank: Andrew Bailey, Troy Cross, Joe Kelly, Mike Kelly, Moonsettler, Matthew Pines, Murch, Mario Gibney, Ruben Somsen, Ricardo Perez-Marco, blk014, Alex Gladstein, Bennett Tomlin, Paul Butler, Shinobi, Henry Magram, Ari Paul, GoatFeng, Joey Levine, Cyber Hokie, Bradley Retter, Craig Warmke, Tony Arcieri, Russell Miller, Andrew Wertheim, Ravi Culleton, Jack Ronaldi, Alex B., Bob McElrath, Enrico B., William Luther, Mark Goodwin, alpacasw, Gael Sánchez Smith, Mr. Hodl, Bryon Bothun, Rocket, Andy Smith, Margot Paez, Javier Gonzalez, Fool, Jal, smallpatatas, Russell Rukin, Brandon Quittem, David Strayhorn, David Zell, and Vlad Zamfir.

Despite the pandemic I was able to have useful in person discussions with Troy Cross, Matthew Pines, Peter McCormack, Danny Knowles, David Levin, and Jiabin Wu.

I also appreciate feedback from and email conversations with István András Seres, Yuval Kogman, Dhruv Bansal, Henry Magram, and Dong Le.
