We would like to thank the FNR (Luxembourg National Research Fund) for its support and funding that made the Hivi project (*C20/SC/14758148*) and this book possible. Our sincere appreciation goes to the C²DH (Centre for Contemporary and Digital History) for its support throughout the development of the project, as well as to the members of the Hivi International Steering Committee. Their collaboration and guidance have been instrumental in shaping the project's trajectory. We would also like to warmly thank all authors and the dedicated reviewers for their expertise and commitment.
