

Contents

Part I: **Introduction**

Gamze Tüzün, Burak Tüzün, Dilara Ülger Özbek, and Elyor Berdimurodov

Chapter 1

The importance of medicinal and aromatic plants for living things — 3

İrem Yıldız Özbaş, Severina Pacifico, and Emre Özbaş

Chapter 2

Methods of obtaining drugs from medicinal and aromatic plants — 41

Fatemeh Ahmadi, Maximilian Lackner, and August Starzinger

Chapter 3

Challenges encountered in growing medicinal and aromatic plants — 119

Nuraniye Eruygur and Sanem Hoşbaş Coşkun

Chapter 4

Medicinal and aromatic plants that are toxic — 155

Part II: **Effect of stress factors on medicinal and aromatic plants**

Gülen Özyazıcı and Negar Valizadeh

Chapter 5

Impact of drought stress on the medicinal and aromatic plants' biochemistry — 199

Fatemeh Ahmadi

Chapter 6

Impact of salinity stress on medicinal and aromatic plant biotechnology — 229

Negar Valizadeh and Gülen Özyazıcı

Chapter 7

Impact of heavy metal on the medicinal and aromatic plants' biochemistry — 265

Esra Uçar, Gamze Tüzün, Burak Tüzün, and Elyor Berdimurodov

Chapter 8

Metabolic and hormonal responses of medicinal and aromatic plants to abiotic stress — 299

Part III: Pharmaceutical use of medicinal plants

İlayda Bersu Kul, Gamze Tüzün, Burak Tüzün, and Elyor Berdimurodov

Chapter 9

Medicinal and aromatic plants used in burn treatment — 329

Serkan Kapancik, Atteneri López Arencibia, and Burak Tuzun

Chapter 10

Medicinal and aromatic plants used in respiratory diseases — 363

Amra Alispahić, Emina Boškailo, Alema Dedić, and Huriya Džudžević-Čančar

Chapter 11

Medicinal and aromatic plants with antioxidant properties — 385

Alema Dedić, Huriya Džudžević-Čančar, Amra Alispahić, and Emina Boškailo

Chapter 12

Medicinal and aromatic plants with antibacterial properties — 417

Part IV: Uses of medicinal and aromatic plants in other areas

Emina Boškailo, Alema Dedić, Huriya Džudžević Čančar, Amra Alispahić, and Kasapović Dejana

Chapter 13

Medicinal and aromatic plants used in cosmetics — 459

Binnur Bağci, Gamze Tüzün, and Elyor Berdimurodov

Chapter 14

Edible medicinal and aromatic plants — 491

Abdellatif Rafik and Burak Tüzün

Chapter 15

The mysteries of Moroccan nature: aromatic plants and their therapeutic medicinal properties — 513

Hurija Džudžević-Čančar, Amra Ališpahić, Emina Boškailo, and Alema Dedić

Chapter 16

The use of medicinal and aromatic plants in aromatherapy — 547

Alireza Mirzaei and Jamshid Fooladi

Chapter 17

Medicinal and aromatic plants with antioxidant properties — 581

Ines Sifaoui, Atteneri López-Arencibia, María Reyes-Batlle, José E. Piñero,
and Jacob Lorenzo-Morales

Chapter 18

Medicinal and aromatic plants with anti-parasitic properties — 611

Danial Kahrizi and Masoumeh Khanahmadi

Chapter 19

Medicinal and aromatic plants used in personal care products — 651

Dilara Ülger Özbek and Elyor Berdimurodov

Chapter 20

Genotoxic effects of medicinal and aromatic plants — 681

Yeter Çilesiz, Uzma Nadeem, and Tolga Karaköy

Chapter 21

**Applicability of start codon targeted (SCoT) polymorphism markers in
determining genetic diversity in medicinal and aromatic plants — 707**

Index — 743
