

# Preface

This volume is based on a conference held in Essen, Germany, from 21 to 23 June 2023. It was hosted by the research project “Cultures of Compromise” and organized by the editors. “Cultures of Compromise” and the conference were supported by the Universities of Duisburg-Essen, Münster, and Bochum. The research project and the conference received generous funding from the Ministry of Culture and Science of the State of North Rhine-Westphalia, for which we would like to express our gratitude. We are indebted to all those who attended the conference and contributed to the discussions. Helen Amin, Cara Eisberg, Benjamin Hassenpflug, Lisa Olbering, Bithleem Maria Sagirolou, Isabel Vehrkamp, and Andrew Wittenbrink contributed with their characteristic dedication and reliability to the production of this volume as student assistants to the project, for which we are very grateful. We would also like to thank Lydia J. White for her excellent copy-editing. We are grateful to Richard Thrift and Kirstin de Boer for further assistance in editing this volume. Our collaboration with the publishing house De Gruyter, and with Sophie Wagenhofer and Jana Fritsche in particular, was both pleasant and constructive. Special thanks are due to Ute Schneider, Constantin Goschler, and Ulrich Willems, the Directors of “Cultures of Compromise,” without whom neither the conference nor this volume would have been possible. When we were preparing this volume for printing, we learned of Alin Fumurescu’s death. We fondly remember his inspiring keynote speech at the conference from which this volume emerged. We are deeply saddened by his untimely passing. Our sympathies are with his family, who have to live with the gap he leaves behind.
