List of Figures and Tables

Figures

Figure 1. Around each part of developing a yearly *AC* release, Marketing provides the base, the Brand team guarantees a consistent, recognizable "flavour," and Editorial's approval tops the game off for release. (Based on illustration by Siripattana Sangduen/Shutterstock.com, edited by Wieger Jonker.) 43

Figure 2. The character Cosmos in Christopher Yabsley's *Dungeon League* is typical for a "holy Paladin," drawn from a "palette" of genre conventions. 65

Figure 3. Results in the Unity Asset Store for "religio*" are mostly Christian. 71

Figure 4. Excerpt from the GameFAQs forum. 87

Figure 5. Excerpt from two users Debating Link's religiosity on *IGN.com*. 92

Figure 6. The "Book of Magic" item from *The Legend of Zelda*, called "Bible" (バイブル) in the Japanese original. 93

Figure 7. A depiction of Link praying before a crucifix and the Virgin Mary, from an official Japanese "Player's Guide" (Nintendo, 1992, p. 151). 93

Tables

Table 1. List of Former Ubisoft Informants and Participants 36

Table 2. The Settings and Periods of the Main *Assassin's Creed* Games 38

Table 3. List of Indie Developer Respondents, with Their Past and Current Companies and Religious Positions 59

Table 4. Final Ranking of Forums and Results of Searching for Discussions on Games and Religion 85

Table 5. Anonymized List of Participants 86

Table 6. Game Series by Number of Appearances in Unique Threads (2007–2017) 87
