

INDEX

Many ethnographic museums have regularly adapted their names to the spirit of the times. The AfricaMuseum in Tervuren, for example, was previously called Museum of Belgian Congo, Royal Museum of Belgian Congo and Royal Museum of Central Africa. Museum Volkenkunde in Leiden started in 1837 as Rijks Japansch Museum and was later called Ethnographic Museum, Rijksmuseum van Ethnographie, Rijksmuseum voor Volkenkunde and since 2005 Museum Volkenkunde. For the sake of convenience, this book uses the current name of a museum.
