

Reviewer Acknowledgment

<https://doi.org/10.1515/cclm-2024-2001>

The Editors and Publisher of *Clinical Chemistry and Laboratory Medicine* would like to thank the members of the Editorial Board and the colleagues listed below for their support in reviewing articles submitted to the journal in 2024. Together with our Editorial Board members, our reviewers form the backbone of *CCLM*: they ensure the consistently high quality of the publications in this journal.*

With special distinction
