President, Institut Kimia Malaysia

Global Gathering of Chemistry Experts: IUPAC 2025 Comes to Kuala Lumpur, Malaysia!

On behalf of the **Institut Kimia Malaysia (IKM)** and the people of Malaysia, it is my pleasure to extend a warm invitation to join us for **IUPAC 2025**, taking place in the vibrant city of Kuala Lumpur from **12–19 July 2025**. This momentous event will mark the first time these prestigious gatherings

are hosted in an ASEAN country, sparking immense excitement across the region and beyond.

The three major components:

53rd IUPAC General Assembly (53GA) (12–16 July 2025)

Bringing together approximately 300 delegates, including IUPAC Executive Committee members, Science Board representatives, division and standing committee members, and leaders from international scientific unions, national chemical societies, and industry.

50th World Chemistry Congress (50WCC) (14–19 July 2025)

Gathering an estimated 3,000 scientists, researchers, educators, and professionals from academia, R&D institutions, and industry to exchange ideas and forge collaborations.

LabAsia 2025 (14–16 July 2025)

A premier exhibition of scientific equipment and laboratory instrumentation, spanning over **9,710 square meters** of cutting-edge displays.

Milestones and Themes

Celebrating the 50th World Chemistry Congress (50WCC) and 100 Years of Excellence in Chemistry Research and Innovations.

Themed “**Chemistry for a Sustainable Future**”, this landmark event underscores the pivotal role of chemistry in addressing critical global challenges aligned with the United Nations Sustainable Development Goals (SDGs).

An impressive lineup of **12 plenary speakers** and **23 keynote speakers**, with more distinguished names to be announced. Stay tuned... www.iupac2025.org

Venue: - Where Chemistry Meets Excellence

The event will take place at the award-winning **Kuala Lumpur Convention Centre (KLCC)**, a state-of-the-art facility renowned for its seamless hosting of world-class conventions. Nestled in the heart of Kuala Lumpur, the KLCC provides easy access to the city's iconic attractions, including the breathtaking **Petronas Twin Towers**.

Important Dates:

- **Abstract Submission:** deadline 28 Feb 2025
- **Early Bird Registration:** until 7 Apr 2025
- **Regular Registration:** 8 April 2025 onwards

Meet Our Plenary Speakers

Prof Dr Chi-Huey Wong
Scripps Research Institute, USA

Prof Dr Christine K Luscombe
Okinawa Institute of Science
and Technology, Japan

Prof Dr David Alan Winkler
La Trobe University, Australia

Prof Dr Eiichi Nakamura
University of Tokyo, Japan

Prof Dr Gregory Scholes
Princeton University, USA

Prof Dr Jackie Yi-Ru Ying
Institute of Bioengineering and
Nanotechnology (IBN), Singapore

Prof Dr Lisa Hall
Department of Chemical
Engineering & Biotechnology,
University of Cambridge, UK

Prof Dr Peter Mahaffy
King's University, Canada

Prof Dr Tamotsu Takahashi
Hokkaido University, Japan

Prof Dr Veronique Gouverneur
University of Oxford, USA

Prof Dr Zhang Tao
Chinese Academy of Science, China

Prof Dr Zhaomin Hou

Resource Science, Japan

Malaysia Awaits You for a Truly Memorable Congress!

Known for its cosmopolitan charm, Malaysia offers a rich cultural tapestry and warm hospitality. From pristine beaches and ancient rainforests to vibrant shopping districts and a culinary scene that delights every palate, Malaysia promises an unforgettable experience beyond the conference.

Join us in **enchanting Malaysia** as we celebrate the **chemistry of innovation, collaboration, and sustainability**. Mark your calendars and be part of this historic gathering at **IUPAC 2025**! For more information, visit the **official website** at <https://iupac2025.org>.

32nd ISCNP 12th ICOB Sydney, Australia

**32nd International Symposium on the
Chemistry of Natural Products**

12th International Congress on Biodiversity

The 32nd IUPAC International Symposium on the Chemistry of Natural Products (ISCNP), held in conjunction with the 12th IUPAC International Congress on Biodiversity (ICOB), will bring together experts from around the world to discuss the latest developments in natural products research.

Scientific themes will include:

- Isolation & structure elucidation;
- Total synthesis & synthetic methodology;
- Biosynthesis;
- Synthetic biology;
- Chemical ecology;
- Biologically active molecules & medicinal chemistry;
- Informatics & artificial intelligence

The RACI NSW Natural Products Group Symposium 2025 will be proudly held in conjunction with this meeting.

24 – 28 AUGUST 2025
