# **42**nd **IUPAC Congress**Chemistry Solutions

3-7 August 2009 | Scottish Exhibition and Conference Centre | Glasgow | UK Incorporating the 45<sup>th</sup> IUPAC General Assembly 31 July - 6 August 2009

Organised by the Royal Society of Chemistry on behalf of IUPAC, the Congress will reflect the breadth of the chemical sciences, highlighting the impact of our science and exciting innovations.

### Call for abstracts

The IUPAC Congress call for abstracts opens in summer 2008. For your chance to present your work at this prestigious international congress submit an abstract by **16 January 2009**.

### Themes include

- Analysis & Detection
- Chemistry for Health
- Communication & Education
- Energy & Environment
- Industry & Innovation
- Materials
- Synthesis & Mechanisms

A more detailed list of topics and invited speakers are published on our regularly updated website.

## Confirmed plenary speakers

- Professor Peter G Bruce
   University of St Andrews, UK
- Professor Dr Ben L Feringa
   University of Groningen, The Netherlands
- Professor Sir Harold Kroto
   Florida State University, USA
- Professor Sir J Fraser Stoddart Northwestern University, USA
- Professor Vivian W W Yam
  The University of Hong Kong, Hong Kong
- Professor Richard N Zare Stanford University, USA

# Sponsorship and exhibition

Promote your organisation at the congress – contact us at **iupacsales@rsc.org** for more details.
