DE GRUYTER

*Chemistry Teacher International* (CTI) is a peer-reviewed Open Access journal from the Committee on Chemistry Education of IUPAC. The journal aims to be a platform for teachers of all levels, focusing on researchers in chemistry education. The objectives of the journal are:

- Bridging the gap between research and education,
- Creating a platform for all IUPAC activities in the field of education,
- Building an international journal not linked to a specific area or nation.
