Papers for publication may be submitted in English, German, or French in two typewritten (double spaced) copies. They should not exceed 20 typed pages. Abstracts are not published. Formulas must be typewritten. A complete list of all handwritten symbols with indications for the printer should be enclosed. References should be arranged in alphabetical order, typed with double spacing. Abbreviations of journals names should follow Mathematical Reviews. Titles in Russian should be in Latin transcription. Authors receive 25 reprints of their articles. The publisher encourages submission of manuscripts written in TEX. Chi-Writer texts are also accepted. After their papers are accepted for publication, the authors should send discs (preferably PC).
