## Directions for Authors

Papers for publications may be submitted in English, German, or French in two type-written (double spaced) copies. They should not exceed 20 typed pages. Abstracts are not published. Formulas must be typewritten. A complete list of all handwritten symbols with indications for the printer should be enclosed. Formulas should be numbered on the left-hand side of the line. References to the literature should be arranged in alphabetical order, typed with double spacing. Abbreviations of journals names should follow Mathematical Reviews. Titles in Russian should be in Latin transcription. The paper should conclude with indication of the author's place of employment and his address. The publisher encourages submission of manuscripts written in *TeX*. After their papers are accepted for publication, the authors should send discs (preferably PC). Authors receive 25 reprints of their articles.
