

## Appendix B: Intern Survey

You just received feedback after presenting a case to your attending. Your attending used a new clinical reasoning feedback tool during this interaction.

Please reflect on the characteristics of the feedback session you just had and answer the questions below.

1. How accurately did the feedback reflect your behaviors during the presentation?				
Very inaccurate	Mostly inaccurate	Balanced between inaccurate and accurate	Mostly accurate	Very accurate
2. How balanced was the feedback in discussing things you did well and areas for improvement?				
Imbalanced	Somewhat imbalanced	Not sure	Somewhat balanced	Balanced
3. How much did you learn about clinical reasoning from this feedback?				
Not at all	Only a little	Some	A lot	A great deal
4. How much did you learn about specific terminology about clinical reasoning?				
No	A minimal amount	A fair amount	A large amount	A great deal
5. How well did the feedback provide specific competency areas for you to improve upon?				
Not at all well	Slightly well	Somewhat well	Moderately well	Very well
6. How helpful was the feedback in setting personal learning goals?				
Not at all helpful	Slightly helpful	Somewhat helpful	Moderately helpful	Very helpful
7. How likely are you to use the feedback to achieve your personal learning goals?				
Not at all likely	Slightly likely	Somewhat likely	Moderately likely	Very likely
8. How would you describe the organization of the feedback?				
Not at all structured	Slightly structured	Somewhat structured	Moderately structured	Very structured
9. How would you describe the learning climate during the feedback session?				
Very judgmental and intimidating	Somewhat judgmental and intimidating	Neutral	Somewhat safe and respectful	Very safe and respectful
10. How motivated did you feel after receiving the feedback to improve your clinical reasoning skills?				
Strongly demotivated	Somewhat demotivated	Neutral	Somewhat motivated	Strongly motivated

11. Have you taken this survey before?

- Yes – please proceed to question 18
- No – please proceed to question 12

Now, please think about feedback you received in residency from an attending after presenting a new case. In the next set of questions, please answer the following: **Compared to feedback in the past, today's feedback was \_\_\_\_\_** by indicating where your answer falls on the line.

12.	1-----2-----3-----4-----5		
	Less specific	Equally specific	More specific
13.	1-----2-----3-----4-----5		
	Harder to Understand	Equally Understandable	Easier to understand
14.	1-----2-----3-----4-----5		
	Less structured	Equally structured	More structured
15.	1-----2-----3-----4-----5		
	Less helpful to you in creating learning goals	Equally helpful to you in creating learning goals	More helpful to you in creating learning goals
16.	1-----2-----3-----4-----5		
	Less helpful to you in creating a plan for improvement	Equally helpful to you in creating a plan for improvement	More helpful to you in creating a plan for improvement
17.	1-----2-----3-----4-----5		
	Less motivating to continue to improve	Equally motivating to continue to improve	More motivating to continue to improve

18. What other thoughts did you have about the tool and its relation to feedback?
