
1. What test is needed ?

- Clearly discussed
 - Maybe
 - Clear not discussed
-

1. What test is needed ? (who initially)

- Patient
 - Caregiver
 - Clinician
-

2. Why is the test needed ? What is the goal of doing the test ?

- Clearly discussed
 - Maybe
 - Clear not discussed
-

2. Why is the test needed ? What is the goal of doing the test ?(who initially)

- Patient
 - Caregiver
 - Clinician
-

3. Why is the test important for me ?

- Clearly discussed
 - Maybe
 - Clearly not discussed
-

3. Why is the test important for me ? (who)

- Patient
 - Caregiver
 - Clinician
-

4. Who will set up the appointment ?

- Clearly discussed
 - Maybe
 - Clearly not discussed
-

4. Who will set up the appointment ? (who)

- Patient
 - Caregiver
 - Clinician
-

5. How will I know the test is scheduled ?

- Clearly discussed
 - Maybe
 - Clearly not discussed
-

5. How will I know the test is scheduled ? (who)

- Patient
- Caregiver
- Clinician

6. What should I do if my test is not scheduled ?

- Clearly discussed
- Maybe
- Clearly not discussed

6. What should I do if my test is not scheduled ?(who)

- Patient
- Caregiver
- Clinician

7. Where will the test be completed ?

- Clearly discussed
- Maybe
- Clearly not discussed

7. Where will the test be completed ? (who)

- Patient
- Caregiver
- Clinician

8. When will the test be completed ?

- Clearly discussed
- Maybe
- Clearly not discussed

8. When will the test be completed ? (who)

- Patient
- Caregiver
- Clinician

9. What are the risks of the test ?

- Clearly discussed
- Maybe
- Clearly not discussed

9. What are the risks of the test ?(who)

- Patient
- Caregiver
- Clinician

10. How will results be communicated ?

- Clearly discussed
 - Maybe
 - Clearly not discussed
-

10. How will results be communicated ? (who)

- Patient
 - Caregiver
 - Clinician
-

11. What can the test results be and what are the next steps?

- Clearly discussed
 - Maybe
 - Clearly not discussed
-

11. What can the test results be and what are the next steps? (who)

- Patient
 - Caregiver
 - Clinician
-

12. What is the cost of the test ?

- Clearly discussed
 - Maybe
 - Clearly not discussed
-

12. What is the cost of the test ? (who)

- Patient
 - Caregiver
 - Clinician
-

13. How trustworthy are the results ?

- Clearly discussed
 - Maybe
 - Clearly not discussed
-

13. How trustworthy are the results ?

- Patient
 - Caregiver
 - Clinician
-

14. What is the timeframe for completing the tests ?

- Clearly discussed
 - Maybe
 - Clearly not discussed
-

14. What is the timeframe for completing the tests ? (who)

- Patient
 - Caregiver
 - Clinician
-

15. What is the timeline for obtaining test results ?

- Clearly discussed
- Maybe
- Clearly not discussed

15. What is the timeline for obtaining test results ?
(who)

- Patient
- Caregiver
- Clinician

16. Who should I contact if I don't obtain my results
or set up next steps ?

- Clearly discussed
- Maybe
- Clearly not discussed

16. Who should I contact if I don't obtain my results
or set up next steps ? (who)

- Patient
- Caregiver
- Clinician

17. What is the order or sequence of tests ?

- Clearly discussed
- Maybe
- Clearly not discussed

17. What is the order or sequence of tests ? (who)

- Patient
- Caregiver
- Clinician
