

Corrigendum

Musa Cakir and Baransel Gunes*

Exponentially fitted difference scheme for singularly perturbed mixed integro-differential equations

<https://doi.org/10.1515/gmj-2022-2213>

Received November 30, 2022; accepted November 30, 2022

Keywords: Difference scheme, error estimate, Fredholm integro-differential equation, singular perturbation, uniform mesh, Volterra integro-differential equation

Corrigendum to: M. Cakir and B. Gunes, Exponentially fitted difference scheme for singularly perturbed mixed integro-differential equations, *Georgian Math. J.* 29 (2022), no. 2, 193–203 (<https://doi.org/10.1515/gmj-2021-2130>).

MSC 2010: 65L05, 65L11, 65L12, 65L20

In our paper [2], on page 197, after equalities (3.2)–(3.4) and on page 200, at the end of the proof of Lemma 4.3, third reference to [1] must be added.
