Corrigendum to: Marina Le Lamer, Laurence Pellerin, Marie Reynier, Laura Cau, Valérie Pendaries, Corinne Leprince, Marie-Claire Méchin, Guy Serre, Carle Paul and Michel Simon. 2015. Defects of corneocyte structural proteins and epidermal barrier in atopic dermatitis. *Biological Chemistry*. Volume 396, Issue 11, pages 1163–1179. (DOI:10.1515/hsz-2015-0141):

In the publication by Le Lamer et al., a cited reference missed the two first authors. The citation in the text on page 1171 (right column) should not read “Von Hesler et al., 2015” but rather “Seltmann et al., 2015”. The correct citation is: Seltmann, J., Roesner, L.M., Von Hesler, F.-W., Wittmann, M., and Werfel, T. (2015). IL-33 impacts on the skin barrier by downregulating the expression of filaggrin. *J. Allergy Clin. Immunol.* 135, 1659–1661. The authors apologize for the error.
