

HUMAN AFFAIRS

POSTDISCIPLINARY HUMANITIES & SOCIAL SCIENCES QUARTERLY

Last year, during an internal review of our collaboration in the editorial management, we agreed with our international partners that the current challenges of scientific publishing demand expediency - even in our boards. We therefore decided to reduce and upgrade the boards in a composition that allows for greater operability. Below you may welcome the new final composition of our Editorial and Advisory Boards. Welcome on board! With this, we would also like to thank very sincerely all the previous members of our Boards, who have worked with us for several decades, for their enthusiasm and energy.
