Erratum to: Bernard Schweizer and Karl-Heinz Ott. August 2016. Faith and laughter: Do atheists and practicing Christians have different senses of humor? *Humor*. Volume 29, Issue 3, pages 413–438. (DOI: 10.1515/humor-2015-0109).

The equation in section “2 Method” is displayed wrong. The correct version appears below:

$$F - \text{score} = \left(\sum_{k=0}^5 (QR_k * N_k) \right) / \left(\sum_{k=0}^5 (N_k) \right) * 100$$
