International Confucian Studies (ICS) is an English-language journal for global readers. It focuses on the study of Confucianism and traditional cultures by scholars worldwide. It aims to support communication and mutual learning among civilizations for upholding cultural diversity. The journal also strives to contribute new thoughts on promoting world peace, common development, and a community of a shared future for mankind. It seeks to serve as an international platform for exchanging ideas in Confucian studies. Research articles and critical reviews in relevant fields are especially welcome. It is published biannually in English and available by instant Gold Open Access. All submissions are subject to a double-blind peer-review process with at least two reviewers.
