DE GRUYTER

JOURNAL OF GROUP THEORY is devoted to the publication of original research articles in all aspects of group theory. Articles concerning applications of group theory and articles from research areas which have a significant impact on group theory will also be considered.

All information regarding notes for contributors, subscriptions, Open Access, back volumes and orders is available online at www.degruyter.com/jgt.

ABSTRACTED/INDEXED IN Current Contents/PC & ES, CompuMath Citation Index, Science Citation Index (SCI), Research Alert, Mathematical Reviews/MathSciNet and Zentralblatt MATH.
