

Corrigendum

Maria Pekkola, Minna Tikkanen, Mikko Loukovaara, Jorma Paavonen and Vedran Stefanovic*

Stillbirth aftercare in a tertiary obstetric center—parents' experiences

<https://doi.org/10.1515/jpm-2022-0422>

Med. 2022; 50(6): 844–853. (DOI: 10.1515/jpm-2022-0246).

Corrigendum to: Pekkola M, Tikkanen M, Loukovaara M, Paavonen J, Stefanovic V. Stillbirth aftercare in a tertiary obstetric center – parents' experiences. *J Perinat*

The authors regret the missing data at the end of Table 4. The missing proposition and answers are as follows:

	Mothers (n=55)	Partners (n=45)	p-Value
I was pushed to give permission for autopsy	Fully agree 0 (0.0%)	Fully agree 0 (0.0%)	1.000
Mothers: 55 answers	Partly agree 3 (5.5%)	Partly agree 1 (2.4%)	
Partners: 41 answers	No opinion 2 (3.6%)	No opinion 4 (9.8%)	
Dyads: 41	Partly disagree 3 (5.5%)	Partly disagree 1 (2.4%)	
	Fully disagree 47 (85.5%)	Fully disagree 35 (85.4%)
