**DE GRUYTER
MOUTON**

Journal of World Languages is an international, open access, peer-reviewed multidisciplinary journal that explores the roles, functions and structures of languages in the world. Special attention is given to studies of languages in the fields of ecolinguistics (including the Haugenian Tradition and the Hallidayan Tradition), systemic functional linguistics, critical/positive/multimodal/ecological discourse analysis, sociolinguistics, cognitive linguistics, corpus linguistics, pragmatics, linguistic typology, linguistic anthropology and philosophy of language.

Please see the journal's homepage for Abstracting & Indexing Services information.

The publisher, together with the authors and editors, has taken great pains to ensure that all information presented in this work reflects the standard of knowledge at the time of publication. Despite careful manuscript preparation and proof correction, errors can nevertheless occur. Authors, editors and publisher disclaim all responsibility for any errors or omissions or liability for the results obtained from use of the information, or parts thereof, contained in this work.
