The publisher, together with the authors and editors, has taken great pains to ensure that all information presented in this work (programs, applications, amounts, dosages, etc.) reflects the standard of knowledge at the time of publication. Despite careful manuscript preparation and proof correction, errors can nevertheless occur. Authors, editors and publisher disclaim all responsibility and for any errors or omissions or liability for the results obtained from use of the information, or parts thereof, contained in this work.

The citation of registered names, trade names, trademarks, etc. in this work does not imply, even in the absence of a specific statement, that such names are exempt from laws and regulations protecting trademarks etc. and therefore free for general use.

ISSN 0024-2667 · e-ISSN 1865-8423

All information regarding notes for contributors, subscriptions, open access, back volumes and orders are available online at www.degruyter.com/libri.

OPEN ACCESS De Gruyter offers authors the following options to publish their journal article open access:

Gold OA Publishing: Articles are made available immediately OA over the publisher's website.

For terms and conditions see: <http://www.degruyter.com/dg/page/583/de-gruyter-open-library>

Green OA Publishing: Authors may self-archive the publisher's PDF version of the article for free public use in their institutional repository after an embargo period of twelve months. For terms and conditions see: <http://www.degruyter.com/dg/page/576/repository-policy>.
