In the published article “Torma, A., Náfrádi, K., Gulyás, S. & Sümegi, P. (2024). Plant Use and Cereal Cultivation Inferred from Integrated Archaeobotanical Analysis of an Ottoman Age Moat Sequence (Szigetvár, Hungary). *Open Archaeology*, 10(1), 20220359. <https://doi.org/10.1515/opar-2022-0359>”, due to miscommunication between the authors, four authors were erroneously omitted from the published article.

The correct authorship is as follows:

Andrea Torma, Katalin Náfrádi*, Sándor Gulyás, Norbert Pap, Pál Fodor, Máté Kitanics, Péter Gyenizse, and Pál Sümegi

The correct captions for Figures 1 and 2 and Table 1 are as follows:

The caption to Figure 1, saying:

“Location of the Szigetvár – Turbék Vineyard Hill site, Hungary (Gulyás et al., 2022)”

is replaced by:

“Location of the Szigetvár – Turbék Vineyard Hill site, Hungary (Gulyás et al., 2022, GIS analysis and mapping by Péter Gyenizse)”.

The caption to Figure 2, saying:

“Pál Eszterházy’s drawing about the memorial place from 1664. 1 = The tomb of Suleiman I. (türbe), 2 = interior of the Ottoman mosque, 3 = exterior of the Ottoman mosque, 4 = building of the halveti dervish (Ottoman monastery: zaviya) 5 = moat of the ottoman memorial place, 6 = the building of the Ottoman soldiers protecting the memorial place; red circle denotes sampling location”

is replaced by:

“Pál Eszterházy’s drawing about the memorial place from 1664 (interpretation of the map by Máté Kitanics). 1 = The place of burial of Suleiman I, 2 = interior of the Ottoman mosque, 3 = exterior of the Ottoman mosque,
