THEORETICAL INQUIRIES IN LAW is a biannual English-language law journal published by the Cegla Center for Interdisciplinary Research of the Law at the Buchmann Faculty of Law, Tel Aviv University. The journal specializes in the application to legal problems of insights developed in other disciplines, such as moral and political theory, epistemology, history, cultural studies, social sciences, economics and game theory, probability theory, and cognitive psychology. The range of issues dealt with by the journal is virtually unlimited, in line with its commitment to the cross-disciplinary cultivation of ideas. Contributors to the journal are distinguished legal scholars working in different “law and . . .” areas. The journal also strives to offer a forum for contributions to legal theory by scholars working in disciplines outside of law.

The previous issues of the journal have been devoted to the following topics: Restitution and Unjust Enrichment; Judgment in the Shadow of the Holocaust; Contemporary Legal Scholarship: Achievements and Prospects; Protecting Investors in a Global Economy; Economic Analysis of Constitutional Law; Negligence in the Law (Parts 1 & 2); Writing Legal History; Liberty, Equality, Security; The Palestinian Refugees and the Right of Return: Theoretical Perspectives; The Role and Limits of Legal Regulation of Conflicts of Interest (Parts 1 & 2); The Excessive Use of Force; Personal Bankruptcy in the 21st Century: Emerging Trends and New Challenges; Critical Modernities: Politics and Law Beyond the Liberal Imagination; Why Citizenship?; Moral and Legal Luck; Legal Pluralism, Privatization of Law and Multiculturalism; Community and Property; Histories of Legal Transplantations; Money Matters: The Law, Economics, and Politics of Currency; Comparative Tax Law and Culture; Copyright Culture, Copyright History; Rights and Obligations in the Contemporary Family: Rethorizing Individualism, Families and the State; Back to the State? Government Investment in Corporations and Reregulation; International Courts and the Quest for Legitimacy; Public and Private, Beyond Distinctions?; and New Approaches for a Safer and Healthier Society. Forthcoming issues will include Labor Organizing and the Law (January 2016); and The Constitution of Information: From Gutenberg to Snowden (July 2016).

An online version of the journal, as well as comments on articles published in the journal, are available in the *Theoretical Inquiries in Law* website (<http://en-law.tau.ac.il/til>). All articles are also indexed and available on HeinOnline, LegalTrac, Lexis-Nexis, and Westlaw.
