In keeping with a commitment to support environmentally responsible and sustainable printing practices, UC Press has printed this book on Rolland Enviro100, a 100% post-consumer fiber paper that is FSC certified, deinked, processed chlorine-free, and manufactured with renewable biogas energy. It is acid-free and EcoLogo certified.

This book is for Nick and Ryan, our sons,
and for the world they inherit,
and in memory of Larry Gibson,
Keeper of the Mountain, 1946–2012.

If nature can heal an injured land, it can heal our . . . souls as well. That's why saving Mono Lake is a matter of saving, and healing, ourselves. Let's not change the planet. Let the planet change us.

David Gaines, 1986
