## THE CONSTRUCTIONS OF TERRORISM PROJECT

This publication is part of the *Constructions of Terrorism* research project being carried out through a partnership between TRENDS Research & Advisory; Abu Dhabi, United Arab Emirates; and the Orfalea Center for Global and International Studies, University of California, Santa Barbara.

TRENDS Research & Advisory was established in 2014 as an independent think tank addressing a broad range of local and global forces impacting human security. TRENDS aims at further improvement of human security and peace through study, analysis, and the advancement of groundbreaking research. TRENDS strives to present policy alternatives designed to transform societies and improve the living standards of humanity. TRENDS is based in Abu Dhabi, UAE, with a network of Nonresident Fellows and institutional partners spanning the globe. For more information, visit <http://trendsinstitution.org/>.

The Orfalea Center for Global and International Studies was established in 2005 and works closely with instructional and research units across UCSB, and with partners around the world, on research and policy questions of global scope, implications, and relevance. The mission of the Orfalea Center for Global and International Studies is to provide an intellectual and programmatic focus for the University's activities in global, international, and area studies.
