

Acknowledgments

We owe thanks to all the people who helped make this book project possible. Special thanks go to Tommi Grover, of Multilingual Matters, who embraced the idea of publishing a book focusing on English language teaching initiatives in South America. Additionally, we would like to thank Florence McClelland and Sarah Williams, also of Multilingual Matters, who worked on various aspects of the book. We also wish to thank Sharin Jacob, Research Assistant for the California State University, Los Angeles' Charter College of Education's Grants Office, for her valuable editorial assistance on the early versions of the chapters, and Carolina Rossato de Almeida, from the University of Miami, for her work on the book index. Finally, a big thanks goes to our coauthors, whose contributions made this book a reality.
