

English as a Lingua Franca for EFL Contexts

NEW PERSPECTIVES ON LANGUAGE AND EDUCATION

Series Editors: Professor Viv Edwards, *University of Reading, UK* and Professor Phan Le Ha, *University of Hawaii at Manoa, USA*

Two decades of research and development in language and literacy education have yielded a broad, multidisciplinary focus. Yet education systems face constant economic and technological change, with attendant issues of identity and power, community and culture. This series will feature critical and interpretive, disciplinary and multidisciplinary perspectives on teaching and learning, language and literacy in new times.

All books in this series are externally peer-reviewed.
