Acknowledgments

While meandering and muddling through this writing process, I have much appreciated the support of so many who are connected to me and with this moment. Summer and Travis, my sister and brother, and Erin and Adam, who are like a sister and brother too, have been great people to travel together through life with, as have been my great-grandparents, grandparents, parents, aunts, uncles and cousins, who really are too numerous to begin to name. I want to offer so much love and gratitude to Alma, Amy, Ana, Andres, Ann, Belem, Beni, Beverly, Bridget, Chris, Colleen, Crissa, Daniel, Daniela, Donna, Edwin, Fabiola, Fany, Fatima, Haley, Hannah, Inky, Jacqi, Jeannette, Jen, Jenice, Jiyoon, Johan, John, Joy, Juan Manuel, Julio, Karam, Kate, Katie, Kiara, Lan, Laura, Lizzy, Lore, Luisa, Margaret, Marypaz, Meg, Melody, Micheline, Mody, Monica, Nick, Nina, Pam, Randy, Sara, Sara, Sarah, Saskia, Sofia, Talo, Tatyana, Traci, Vero, Vilma, Yareni, Ye, Yesenia, Yubi and Zhaleh for everything.

For feedback early on in the process, I want to thank Tim McNamara. To Nelson Flores, Kamran Khan, David Low and Miranda Weinberg, your comments were meticulous and I hope I did them justice. Thank you to Asya Taylor, who helped with reference logistics, to Martha Reyes, who helped keep other projects going while I finished up this book, and to Alex Reyes, who made sure names and dates were on point. Thanks also to the team at Multilingual Matters for all your support. I want to express endless appreciation to Constant Leung, Mario López-Gopar and Elana Shohamy for guiding me and my work, and in particular for our shared enthusiasms in life and being. And I have so much gratitude to give to Tommi Grover, Nancy Hornberger and Wayne Wright for their compassion, empathy and conversations.

You all and so many others have done more for me than I can express here. Thank you for being simply amazing.

Dedicated to the memory of my mom, June, whose feisty spirit I honor on a daily basis, to my sister, Summer, who still finds a way to look after me, and to brother, Travis, with whom I share so many wonderful traditions.
