Acknowledgments	vii
1 The Big Picture	1
Introduction	1
Aim and Scope	2
A Scoping Contextualization	5
2 Mapping the Terrain	8
Austria as an Empirical Framework	8
The Five Ws of L2 Sociolinguistic Development	17
Individual Differences and Dynamic Systems	26
Conclusions: What Are We Missing in Variationist SLA?	31
3 The Current Empirical Study	39
Research Design and Participants	39
Test Battery and Procedure	41
Preparing and Coding the Data	59
Analyzing Variationist Data	63
4 Unpacking the INTER and INDIVIDUAL in L2 Sociolinguistic Development	69
Introduction	69
To Adapt or Not to Adapt: Interpersonal Varietal Behavior	69
The Key is in the Context? Intersituational Varietal Behavior	77
Intelligence vs. Friendliness: A Question of Evaluative Judgements	83
Varietal Awareness and the Battle of Formalities	86
Reconciling Idiosyncrasy and Commonality	88
Interim Conclusion	98
5 The Systematicity of Outcomes in L2 Sociolinguistic Development	101
Introduction	101
Modeling Individuality in L2 Sociolinguistic Development	102
Examining the ‘Longer = Better’ View: Length of Residence	103
Widening the Proficiency Pool: Exploring Varietal Proficiency	106

	A ‘Treat All, Cure All’ Variable? Unpacking Varietal Exposure	113
	A Clash of the Affects: Interest, Encouragement and Anxiety	116
	Cognitive Performance and L2 Sociolinguistic Development	120
	Interim Conclusion	124
6	Signature Dynamics of L2 Sociolinguistic Micro-Development	128
	Introduction	128
	Phase Shifts in L2 Sociolinguistic Micro-Development	135
	Signature Dynamics of L2 Sociolinguistic Micro-Development	143
	Interim Conclusion	149
7	Reconciling the INTER and INTRA in Variationist SLA	152
	Introduction	152
	Prioritizing the Individual: Person-Centered Approaches	152
	Growing Out of the ‘Variability = White Noise’ View	156
	Expanding Design and Analysis in Variationist SLA	158
	Complexity and Complementarity: Contextualizing the Findings	160
8	Conclusion and Future Perspectives	163
	Key Findings	163
	Pedagogical Implications	168
	Limitations and Avenues for Future Research	170
	References	175
