Tourism Economics and Policy

ASPECTS OF TOURISM TEXTS

Series Editors: Chris Cooper (Leeds Beckett University, UK), C. Michael Hall (University of Canterbury, New Zealand) and Dallen J. Timothy (Arizona State University, USA)

This new series of textbooks aims to provide a comprehensive set of titles for higher level undergraduate and postgraduate students. The titles will be focused on identified areas of need and reflect a contemporary approach to tourism curriculum design. The books are specially written to focus on the needs, interests and skills of students and academics. They will have an easy-to-use format with clearly defined learning objectives at the beginning of each chapter, comprehensive summary material, end of chapter review questions and further reading and websites sections. The books will be international in scope with examples and cases drawn from all over the world.

All books in this series are externally peer-reviewed.

Full details of all the books in this series and of all our other publications can be found on http://www.channelviewpublications.com, or by writing to Channel View Publications, St Nicholas House, 31–34 High Street, Bristol BS1 2AW, UK.
