Modelling and Simulations for Tourism and Hospitality

## TOURISM ESSENTIALS

Series Editors: Chris Cooper (Leeds Beckett University, UK), C. Michael Hall (University of Canterbury, New Zealand) and Dallen J. Timothy (Arizona State University, USA)

Tourism Essentials is a dynamic new book series of short accessible volumes focusing on a specific area of tourism studies. It aims to present cutting-edge research on significant and emerging topics in tourism, providing a concise overview of the field as well as examining the key issues and future research possibilities. This series aims to create a new generation of tourism authors by encouraging young researchers as well as more established academics. The books will provide insight into the latest perspectives in tourism studies and will be an essential resource for postgraduate students and researchers.

All books in this series are externally peer-reviewed.

Full details of all the books in this series and of all our other publications can be found on http://www.channelviewpublications.com, or by writing to Channel View Publications, St Nicholas House, 31-34 High Street, Bristol BS1 2AW, UK.
