Our heartfelt appreciation goes to all the chapter authors and co-authors for their contribution to this book and for their patience in making the required changes to complete their task. We would also like to thank all institutions and organizations that supported the authors in completing their chapters. Thank you to the serial reviewers who provided us invaluable feedback to improve each chapter so that it meets the goal of the book.

Special thanks are also rendered to University of The Bahamas for providing the support in getting this book completed. We would also like to extend our gratitude to Mrs Sumangala Pillai of Malaysia for editing and proofreading the chapter manuscripts, despite the tight timeline to complete the task.

This book would also not be possible without the initial work done to develop responsible rural tourism via the Ministry of Higher Education of Malaysia's Long Term Research Grant Scheme 2011 [LRGS grant no: JPT.S (BPKI)2000/09/01/015Jld.4(67)] that was led by Taylor's University, Malaysia from 2011–2015.

Last but not least, we would like to thank the team from Channel View Publications, led by Ms Sarah Williams, for managing the whole process of publication so efficiently.
