**Series Editors:** Professor Chris Cooper, *University of Queensland, Australia*  
Dr C. Michael Hall, *University of Otago, Dunedin, New Zealand*  
Dr Dallen Timothy, *Arizona State University, Tempe, USA*

**Aspects of Tourism** is an innovative, multifaceted series which will comprise authoritative reference handbooks on global tourism regions, research volumes, texts and monographs. It is designed to provide readers with the latest thinking on tourism world-wide and in so doing will push back the frontiers of tourism knowledge. The series will also introduce a new generation of international tourism authors, writing on leading edge topics. The volumes will be readable and user-friendly, providing accessible sources for further research. The list will be underpinned by an annual authoritative tourism research volume. Books in the series will be commissioned that probe the relationship between tourism and cognate subject areas such as strategy, development, retailing, sport and environmental studies. The publisher and series editors welcome proposals from writers with projects on these topics.
