Acknowledgements

This volume has grown out of the conference *Social Media and Social Order* held in Oslo in Nov-Dec 2017 as part of the research project *Cultural Conflict 2.0: Religion, Media and Locality* (https://cc2.mediated.eu/; CC2). We are grateful to the Norwegian Research Council (Grant no. 231344) for funding the project, to the University of Agder for funding the open access electronic publication of the book, to Nick Couldry and Kim Knott our project advisors, and to our editor at De Gruyter, Beata Socha, for her patience, professionalism and help in bringing the project to fruition.
