

Acknowledgments

There are many people and institutions whose support over the years has helped make this book possible.

I am particularly grateful to Occidental College for helping fund my research in the Biblioteca Nacional de España and the Biblioteca de Catalunya through a MacArthur International Grant, and for generously providing financial assistance for the publication of the book. I am also grateful to my colleagues in the Department of Spanish and French Studies for their steadfast support and good cheer over the years.

I want to thank my primary editor at the University of Toronto Press, Mark Thompson, for his judicious guidance throughout the editorial process, and all the people at the Press for helping bring the project to fruition. I am also deeply appreciative of the wisdom and good advice of the readers of the manuscript.
