The present author expresses his deepest gratitude to Tanzil.net for producing this digitalized text of the Quran and allowing the free use of a properly attributed copy.

While this volume does not reproduce the text of the Quran as running text, it does reproduce large relevant sections *verbatim*. None of the quoted texts have been altered in any shape or form.

The text reproduced here is the *Uthmani* Text, with *aya numbers*, as provided by tanzil.net. It is our hope that our small effort contributes to further research on the Quran.
