Manufactured in the United States of America

The Imagination is not a State: it is Human Existence itself.

—William Blake

The greatness of images isn't in the coherence of their narrative logic, or the nuance of their dramatic implications, but in their excess—not in what they mean but in what they are.

—Richard Brody

It's funny how the colors of the real world only seem really real when you viddy them on the screen.

—Alex in A Clockwork Orange
